

## WHEN THE WORK HURTS: **MANAGING SECONDARY TRAUMA**

---

**NOVEMBER 14 –**  
**2:30 TO 3:30**  
021 OLD MAIN

Do you have a field placement that involves working with survivors of trauma?

If so, you are invited to an interactive presentation on secondary trauma, which is a natural reaction among those who provide services to trauma survivors.

Debra Patterson, Associate Dean of Faculty and Academic Affairs, will be presenting.

Space is limited so you must RSVP. [Click here to RSVP.](#)
