

Narcan Training

Learn to Save a Life

 **NARCAN**[®] (naloxone HCl)
NASAL SPRAY

The Coalition of Community Social Workers (CCSW) and the Center for Urban Studies' Strategies and Tools for Overdose Prevention (STOP) program invite you to our Fall 2019 Narcan Training! In order to combat our current epidemic, CCSW and STOP will provide social work majors and other interested students the knowledge they need to use Narcan and save lives. Please join us as we share this crucial information

Tuesday, November 5th, from 6:30-7:30pm, at the 025 Dance Room, in the basement of the Student Center. To RSVP, please contact Andre Iadipaolo at eu6337@wayne.edu

STOP OVERDOSE DEATHS

Strategies and Tools for Overdose Prevention

a harm reduction initiative

conducting research, delivering training,
and distributing Narcan in Southeast Michigan
