# About The Stepping Stones Group

- ❖ Transforming the lives of children, families, and communities together through our exceptional mental and behavioral health services.
- ❖ The Stepping Stones Group grew from a simple belief: That every child is born with a special set of gifts. Throughout our history, we have partnered with 14 mission-driven organizations that share in our vision.
- ❖ Together, we are transforming the lives of children and families, improving the quality of therapeutic and behavioral services, and joining with like-minded therapists, clinicians and educators in order to have a greater impact in our communities. Our passionate leadership team and expansive clinical support network ensure the delivery of the highest quality therapeutic and behavioral health services nationwide.
