Post-Tests are given after events, and are required for sending certificates. We use Qualtrics to create post-tests. Please enter the questions you want in your Online Qualtrics post-test below. If you do not submit this document before the event, we will create questions for you based off of your powerpoint.

To submit this document, save it as a PDF and add it into your Application, or, upload it onto the OneDrive folder with the course materials.

All Faculty and Staff have access to Qualtrics, if you wish to create your own, you must collaborate it with us so we can also keep the results on record. Click here for Collaboration Guidance: <https://tech.wayne.edu/kb/academic-services/qualtrics/904>
