

# How to Access

## 3 Easy Steps

# Step 1: Account Set Up

- 1 Go to [www.kognitocampus.com](http://www.kognitocampus.com)
  - 2 [Click here](#) to create account
  - 3 Populate all blank fields
- Enrollment Key : waynestatessw**

## Step 2: Demographics

Select the drop downs to choose your institution, role, and occupation/professional designation (if applicable).

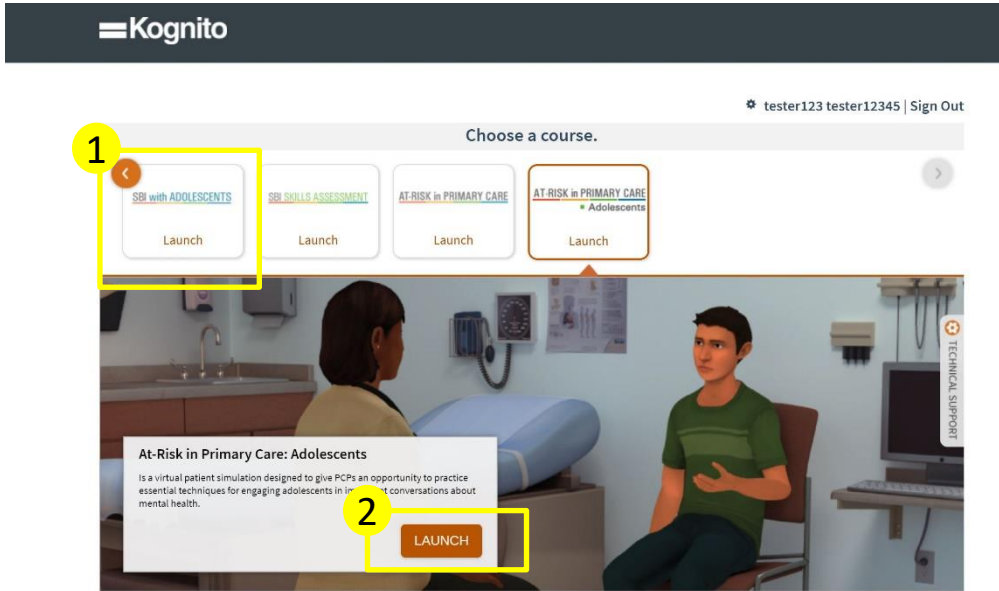

The screenshot shows a white modal window titled "Step 2" with a close button (X) in the top right corner. At the top, a progress bar shows "Step 1" with a checkmark, "Step 2" with a right arrow, "Step 3" with a right arrow, "Step 4" with a right arrow, and "Done." with a checkmark. The main content area contains three sections, each with a label and a dropdown menu:

- Please select your institution**: A dropdown menu with the text "Please select from one of the following..." and a downward arrow.
- Role (If you have multiple roles, pick the one that is most relevant to the context in which you are accessing this simulation.)**: A dropdown menu with the text "Please select from one of the following..." and a downward arrow.
- Occupation/Professional Designation**: A dropdown menu with the text "Please select from one of the following..." and a downward arrow.

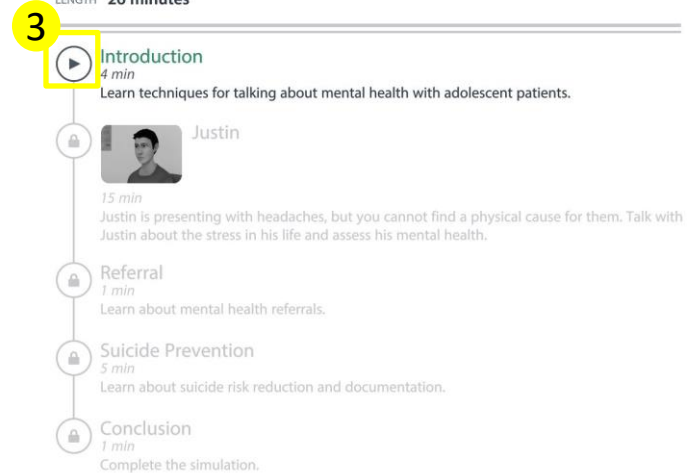

At the bottom right of the form is an orange button labeled "NEXT".

# Step 3: Launch Page

*At-Risk in Primary Care: Adolescents* is a virtual patient simulation designed to give primary care physicians an opportunity to practice essential techniques for engaging adolescents in important conversations about mental health.

FOR **Primary Care Physicians**  
LENGTH **26 minutes**

*\*please be advised the above visual will look slightly different for end-users at Wayne State University*

# How does a Kognito SIM work?

- Interact with fully animated virtual patients
- **Navigate** through the scenarios by selecting what to say to the virtual patient
- **Receive instant feedback** from the virtual coach and engagement meter
- **Undo decisions** to explore different approaches to the conversation
- Receive **personalized performance** summary upon completion
