

WAYNE COUNTY

MENTAL HEALTH COUNSELING

ASCENSION SAINT JOHN PROVIDENCE HEALTH SYSTEM

Provides diagnostic and treatment services for adults who have acute psychiatric disorders, require hospitalization for maximum benefit, and who may be a threat to themselves, to their families or to others if left in the community or placed in a less restrictive treatment setting. Services may include a comprehensive evaluation; 24-hour care in a supportive, therapeutic environment; counseling for the patient and family; adjunctive therapies as needed; group therapy; medication, if required; and an aftercare program following discharge.

BEAUMONT HEALTH

Offers complete adult inpatient psychiatric care in an environment that promotes mental wellness. During hospitalization, a team of nurses, social workers, activity therapists, dietitians, psychiatrists and medical physicians care for the patient. The inpatient program focuses on treatment that will move the patient into partial hospitalization or outpatient care as quickly as possible.
