June 18 - 19, 2018

8 am to 5 pm

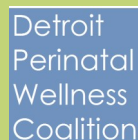

Wayne State University

Student Center Ballroom

5221 Gullen Mall, Detroit, MI 48202

This two-day course, taught by expert and engaging faculty, uses a thorough, evidence-based curriculum designed for psychiatrists, nurses, physicians, social workers, mental health providers, childbirth professionals, social support providers, and anyone interested in building skills for assessment and treatment of perinatal mood disorders. Registration includes training binder, handouts, breakfast and lunch, and continuing education credits.
