

Coming Out Boxes

Coming out isn't always easy or straightforward. So in the weeks before WSU's Coming Out Week, we have set out several Coming Out Boxes around campus to allow students, staff, and faculty to anonymously place a note inside with their coming out experience, with words of encouragement, and/or support. Your coming out story could also be about mental health, crushes, wishes, fears, aspirations - anything that is connected to your journey.

All boxes will be collected on October 6. The notes inside will be displayed during Coming Out Week (Oct. 9-13).

For the location of the Coming Out Week display, please check the Pride Calendar online
