

# Behavioral Health Workforce Education & Training Program

## ***"Models of Integration and the Roles & Responsibilities of Staff"***

**Presentation by Kathy Reynolds, ACSW, MSW**  
Ms. Reynolds has over 30 years experience in the mental health and addictions and over 15 years of experience in the bi-directional integration of behavioral health and primary care. Ms. Reynolds was also the first Director of the SAMHSA/HRSA Center for Integrated Health Solutions.

**Tuesday, October 2nd | 9am-12 pm | Cohn Building Room 21**

**In this workshop, participants will learn about the key elements of coordinated care, the main models for integrating primary care and behavioral health, and the key roles for health professionals in each model**
