This Personal Statement Workshop is open to **BSW STUDENTS** and is designed to assist students in putting together a solid personal statement which can be used for scholarship applications or an MSW program application. This workshop discusses the genre of personal statements and offers tips and things to avoid. We will provide social work-specific do's and don'ts from data we collected from advising and admission offices across the campus. Most importantly, this workshop facilitates participants to write and reflect with their peers on these high stakes pieces of writing.

**LOCATION: School of Social Work, Room #101
