School of Social Work

Continuing Education & Professional Development

Ethics in Social Work Practice

Presented by Anwar Najor-Durack, PhD

This CE course will explore the Michigan Social Work Licensure process and the connection between the Michigan Public Health Code, Social Work Code of Ethics and social work ethical practice. Participants will look at situations that may place social workers at risk of ethical missteps and review resources to assist practitioners to practice ethically.

Watch the course videos and take the quiz from your computer, tablet or phone

\$15 fee for 1 CE credit, which will be issued within 5-7 business days after successful completion of the online course test
