

JOIN OUR CHILD TEAM!

We are looking for volunteers to join our child team for our **Mom Power** program!

Mom Power is a 10-week attachment-based program for mothers and their children to be held at:

**Corner Health Center
47 N. Huron St., Ypsilanti**

This is a **great opportunity** for students in Early Childhood, Social Work, Psychology, and those preparing for a career in Infant Mental Health to:

- learn more about attachment and the development of infants and toddlers
- gain **valuable experience** interacting with infants and mothers in this program

As a Child Team Member, you will:

- provide support to infants and toddlers while their moms attend group
- support moms and their children during meal time
- observe attachment behaviors between mother & child
- assist with set-up and clean-up
- attend a debriefing session after each group
- document observations of parent-child interaction and child behaviors
- play a vital role in an ongoing research project

REQUIREMENTS:

In order to be part of the Child Team, the following requirements must be met:

- Attend a mandatory Child Team orientation
- Complete the Corner Health Center's volunteer intake process
- Be available to attend group each week. We need volunteers on **WEDNESDAYS** from 12:30-4:45 pm beginning Oct/Nov (exact date TBD) and running for 10 weeks
