Social Work & the Overdose Epidemic: Nalaxone

Presented by Bradley Ray, PhD

This CE workshop will explore the recent overdose epidemic and use of Nalaxone. Participants will learn how to identify an opioid-related overdose and how to administer Nalaxone.

Friday, November 1, 2019 from 9:30 to 11:30 am

RSVP's required by Oct. 30 at <https://bit.ly/2msMwBV>

Wayne State Purdy/Kresge Library, 1st floor auditorium
(5265 Cass Avenue, Detroit, MI 48202)

2 FREE CE credits will be offered. Electronic CE certificates will be issued within 5-7 business days after successful completion of the workshop.
