

Term Winter 2018

PS 6700 Financial Management for Nonprofit Organizations

For Non-accountants

Do you want to:

- Know how to select financially viable nonprofit partners?
- Run your own nonprofit some day?
- Interpret financial information and avoid financial pitfalls?
- Present accurate and convincing financial information?
- Detect and minimize fraud in any organization?
- Increase your personal financial knowledge?

If so, then this course is for you!
