RSVP

In this hands-on workshop, you'll discover how much easier grading and creating assignments can be in Canvas. Tips & tricks will make assignments and grading easier than ever. Participants in this workshop need not be familiar with the features and functionality of Canvas.

- Create an Assignment for Online Submission
- Create an Assignment for No Submission
- Getting Started with Quizzes
- Add Assignments to Modules
- Gradebook (Set Gradebook to Display Points, Assignment Groups, Assignment Group Weights, Points-Based Gradebook, Grade Assignments, Speed Grader)
- Create a Discussion
- Extra Credit
- Grading Rules

Please feel free to email Fay at bb3704@wayne.edu for one-on-one in-person and or phone conference for Canvas training or drop-in at the Technology Lab any Thursday from 10 to 4pm and on Saturday by appointment.
