The International Federation of Social Workers (IFSW) defines social work as a field that promotes social change and development, social cohesion and the empowerment and liberation of people. Social work engages people and structures to address life challenges and enhance wellbeing. Macro social work offers you the opportunity to make an impact on the high-level issues that can lead to problems at the personal, family and community levels.

Also, come and learn about the new certificate in Innovation & Entrepreneurship through the School of Business!
