(Unofficial transcripts **MUST** be uploaded to begin the initial review process; however official transcripts with degree posted are also required to be sent to WSU Graduate Admissions as part of the application).

All applicants are encouraged to submit applications as soon as possible as admissions will close once program capacity is reached. Applications may be submitted up to one year prior to the start of the beginning term of the program. Thus, applicants are strongly encouraged to apply and submit all application materials as early as possible. Earlier admission is best for scholarship eligibility,

practicum placement and course section availability. All students admitted to the MSW program must attend a mandatory orientation.

MSW - Master with Advanced Standing Status: Only students who hold a baccalaureate degree of Social Work from a CSWE accredited program are eligible to apply for this status. The 10-month full time **Program begins Summer Term**. Applicants applying to the advanced standing program must have a B.S.W. degree that was awarded five years or less from their admission to the advanced standing program. Those with a B.S.W. degree older than five years may apply to the core program. **NOTE:** Students may apply for the MSW Advanced Standing status for Fall Term start; however, this option only allows part time status and will take 2 years to complete.

All application materials must be submitted by the application deadline of June 1.

MSW - Core/Regular Status: Only those who hold a baccalaureate degree in another discipline besides Social Work are eligible to apply for this status. **The program begins Fall Term. All application materials must be submitted by the application deadline of June 1.**

Once completed, your application is assigned to the Admission Review Committee for processing. The School of Social Work graduate admissions process is competitive. All applicants compete among the applicant pool of those with the same program status for a specific academic year.

ADMISSION CRITERIA: For consideration, applicants must: (1) be admissible to the University Graduate School, hold a baccalaureate degree from an accredited institution, have a minimum honor point average of 2.75, and submit the official transcript(s) from all universities/colleges attended to the University Admissions-Graduate Division; (2) submit a complete application with all required documents. (3) Applicants must complete 30 semester credits in academic work, distributed in the social and biological sciences and in the humanities; (4) demonstrate suitability and fitness for the profession and the ability to undertake successfully graduate professional education in social work. Applications for admission to the School of Social Work for the program leading to the Master of Social Work Degree are carefully reviewed so that those students selected best fulfill the requirements for professional education in this field. **The responsibility for deciding whether a student shall or shall not be admitted rests with the school.**
