# STUDY ABROAD OPPORTUNITY WITH SCHOLARSHIP!

## INVISIBLE GROUPS IN A NEW POLAND

This trip will focus on public & private social welfare systems working to address poverty, homelessness, and mental health. Students will also examine the current situation in context of recent political and economic transformations in Poland.

## GLOBAL SOCIAL WORK

Offered in partnership with Case Western Reserve University, this trip is a great opportunity for MSW students to expand their knowledge into a global context. Program includes guided tours of neighborhoods and social institutions, and daily lectures & workshops with practicing social workers, scholars, and government officials

## Details

- In country March 9-14, 2025
- Two (2) spots available for MSW students
- \$5,000 scholarship for trip, additional costs will apply (see application for more information)

## Interested? Apply here!
