One Riverbank Rd, Belle Isle, Detroit, MI 48207
(313) 824-1200

Belle Isle is reached from East Jefferson Avenue by crossing the MacArthur Bridge. Once over the bridge traffic on Belle Isle is one-way. Drive all the way around Belle Isle to reach the DYC. You can take the scenic water-view route to the Detroit Yacht Club by veering to the right after crossing the MacArthur Bridge and circling around the Island. The DYC is on the northeast side of Belle Isle, on an island of its own, connected by a wooden bridge. Tell the attendant that you are attending the Wayne State University Alumni Association Dinner.
