PROFESSIONAL POSITIONS

09/22 – Present

Outreach Coordinator

Center for Social Work Research at Wayne State University
School of Social Work

- Duties include supervising a team of student assistants who perform various research duties and onboarding and training student assistants on internal processes and software. Guide the team through daily work activities and monitor student performance. Develop data collection instruments and oversee distribution and collection of surveys and monitor data collection progress. Assist in producing written reports and other deliverables for external audiences by creating data visualization elements and writing descriptive data analysis narratives. Maintain evaluation study protocols, work plans, and timelines by updating evaluation progress and reporting to the principal investigator.

04/21 – 09/22

Student Research Assistant

Center for Social Work Research at Wayne State University
School of Social Work

- Provided the School of Social Work faculty/staff and external clients research support on a variety of projects. Trained fellow student research assistants on tasks, proficiency in project management software (Trello & TimeCamp) and facilitated interviews for program evaluations. Conducted literature searches, performed data entry, qualitative and quantitative data processing & analysis, visualization & reporting, online survey software proficiency, transcription of narrative interviews, and took notes note-taking during focus groups.

08/19 – 12/19

Behavioral Health Associate

Harbor Oaks Psychiatric Hospital

- Provided care and close supervision of facility patients and documented behavior, facilitated psychoeducational groups, implemented treatment plans, provided crisis intervention, and de-escalated potentially violent conflicts between patients. Utilized CPI training and actively participated as part of the treatment team.
