

**WAYNE STATE**  
School of Social Work

Interested in finding out what it's like to work on  
a team with other professionals?

Want to connect with students from other  
disciplines?

## Join us at one of our interprofessional clinic opportunities!

- DEW- student-led clinic providing education & resources to Detroit area residents with diabetes.  
Held once a month on Monday evenings
- CHIP- student-led clinic providing education & resources to local residents without housing.  
Held once a month on Saturday afternoons

Clinic hours may count towards field or volunteer hours.
