**5447 Woodward Avenue**  
**Detroit, Michigan 48201**  
**(313) 577-5251**  
**email: eagius@wayne.edu**

**Education:**

1988 Bachelors of Arts  
University of Michigan- Dearborn; Dearborn, Michigan  
Major: Political Science

1990 Ph.D. Applicant: Department of Political Science  
1999 Wayne State University; Detroit, Michigan  
Major: Public Policy, Minors: American Government, International Relations  
Completed 60 credit hours.

2016 Ph.D. Candidate: College of Education  
Present Wayne State University; Detroit, Michigan  
Educational Policy and Leadership Studies

**Professional Experience:**

2007- **Associate Director of Research Administration**  
**Manager of Community Research Partnerships**

Present School of Social Work  
Wayne State University; Detroit, Michigan

Responsibilities: Liaison to community partners for faculty research. Assist faculty with grant searches, manuscript preparation, and research. Participate in research through the Center for Social Work Research. Primary role is to conduct evaluation of substance use prevention and treatment projects including:

*Evaluation of the State Opioid Response Grant (2019 – 2021, 2021-2023)*

*Evaluation of the Michigan Youth Treatment Enhancement Initiative Implementation Grant (2017 – 2021)*

*Evaluation of the State Targeted Response to Opioids (2017 – 2019)*

*Evaluation of the State of Michigan Youth Treatment Enhancement Initiative. (2015-2017) E. Agius (Principal Investigator)*

*Evaluation of the Partnership for Success 2015 Grant. (2015-2020). E. Agius (Principal Investigator)*

*Evaluation of the Black Family Development, Inc. Promise Neighborhoods Initiative (2014-2015). E. Agius (Principal Investigator). Work with staff and administration to develop appropriate methodology for data collection. Conduct*

interviews, surveys and focus groups with stakeholders, clients, staff. Review documents and secondary data related to the project implementation. Summarize all data collected for report to funders and BFDI.

*Evaluation of the Partnership for Success and Partnership for Success II Grant (2010-2015).* E. Agius (Principal Investigator). Develop evaluation tools and methodology to assess implementation of grant plans across regional entities and sub-awardees. Participate in federal cross-site evaluation. Make recommendations based on data to OROSC staff. Membership in OROSC SEOW. Develop and launch Michigan Substance Use Disorder Data Repository (mi-sudd.org) to increase access to data for substance use and mental health.

*Evaluation of the State Prevention Enhancement Grant and Environmental Scan (2011-2012)* E. Agius (Principal Investigator). Develop and conduct an environmental scan of prevention providers to determine resources, workforce and training needs, and readiness to inform capacity plan and strategic plan. Conduct process evaluation of state workgroup designed to expand State Prevention Framework and increase capacity for effective prevention services.

*Evaluation of the State Epidemiological Outcomes Workgroup (2010-2012)* E. Agius (Principal Investigator). Conduct process evaluation of state workgroup designed to determine baseline data for measuring reductions in a range of public health issues.

*Evaluation of the New Detroit Compassion Capital Initiative (2005 -2010)* E. Agius (Principal Investigator). Developed evaluation plan and tools for process and outcome measurement. Generated reports on all program activities. Monitored program activities. Communicate with grantees and funding agent.

*Evaluation of the Oakland Family Services FOCUS Program (2008-2011)* E. Agius (Principal Investigator). Develop process evaluation plan and tools. Conduct focus groups with participants and staff as part of feedback. Consult on program implementation issues. Assist in reports to federal funding source.

*Multiple Service Projects (2008-2016): Macomb County Office of Substance Abuse. Detroit Area Agency on Aging Service Provider Enhancement Project; SEMCA Training and Technical Assistance Project; UM TAC Technical Assistance Project.* Provide training, technical assistance and services for capacity building and organizational development.

1994  
2007

**Program Evaluator/Research Assistant**  
Department of Psychiatry & Behavioral Neuroscience  
Addiction Research Institute  
Wayne State University; Detroit, Michigan

*Organizational Processes in Substance Abuse Treatment (2004-2005)* Arfken, C.

(Principal Investigator). Responsibilities: Research assistant responsible for data collection, focus groups, survey development. Assist with manuscript writing and presentation development.

*Evaluation, Consultation, and Training for SCOPE.* (1999-2005). J. Sobeck, E. Agius, (Co- Investigators). Responsibilities: Assist with grant writing and grant administration. Develop and implement evaluation tools. Develop curriculum for and conduct trainings in Logic Model, Evaluation and Theories of Change for community-based organizations. Generate reports and summaries. Supervise graduate students in their tasks.

*Evaluation of the 21<sup>st</sup> Century Community Learning Centers* (2000-2003). Agius, E. (Principal Investigator) Responsibilities: Grant writing and grant administration. Design evaluation methods and procedures for long-term after-school programming. Conduct data collection, focus groups, and site visits. Attend staff meetings to monitor and provide input on implementation.

*A Study of Urban Nonprofit Capacity Building* (2003-2004). Sobeck, J. (Principal Investigator), Agius, E. (Co-Investigator). Responsibilities: Assist with grant writing. Participate in research design and survey development, including online survey. Conduct data collection, database management and analysis. Report writing and presentation development.

*Evaluation of the Skillman Drug Free Youth and Families Initiative* (1993-1998). Sobeck, J., Abbey, A., Schoener, E (Co-Investigators). Responsibilities: Research assistant responsible for data collection, management, analysis and report writing. Assist in manuscript development.

1998  
Present

**Program Evaluator and Consultant**

Evaluator for community and Faith-based organizations in Detroit, primarily New Detroit grant awardees. Consultant on national research project assessing potential abuse and diversion of new opioid treatment medication.

Responsibilities: Facilitation of focus groups with clients and staff. Development and facilitation of workshops on logic models and evaluation. Individual technical assistance to community groups for development of process and outcome plans and measures. Coordinate physician surveys, data collection in 60 substance abuse treatment programs, and ethnographic studies in 8 cities. Data collection and report writing.

1993  
1994

**Graduate Research Assistant**

College of Urban, Labor and Metropolitan Affairs  
Wayne State University; Detroit, Michigan

Responsibilities: Researched and co-authored first chapter of edited volume on national urban policy. Organized conference with national urban policy experts.

Edited conference proceedings for manuscript. Assisted with overall manuscript development

1991 **Graduate Teaching Assistant**  
1993 Department of Political Science  
Wayne State University; Detroit, Michigan

Responsibilities: Develop lectures, discussions and classroom activities. Create exams and grade assignments. Teach independent sections of introductory course.
